

GOODWOOD

The Role

The **Aircraft Engineer** will be part of Aircraft **Engineering at Goodwood** and will report to the **Chief Engineer**.

About us

At Goodwood, we celebrate our 300 year history as a quintessentially English Estate, in modern and authentic ways delivering extraordinary and engaging experiences. Our setting, 12,000 acres of West Sussex countryside and our story both play significant roles in Goodwood's success. What really sets us apart is our people. It is their passion, enthusiasm and belief in the many things we do that makes us the unique, luxury brand we are.

Passionate People

It takes a certain sort of person to flourish in such a fast-paced, multi-dimensional environment like Goodwood. We look for talented, self-motivated and enthusiastic individuals who will be able to share our passion for providing the “**world's leading luxury experience.**”

Our Values

The Real Thing

Always inspired by Goodwood's heritage

Derring-Do

Daring to surprise and delight

Obsession for Perfection

Striving to do things *even* better

Sheer Love of Life

Sharing our infectious enthusiasm

Purpose of the role
