

# GOODWOOD

## The Role

The Maintenance Electrician will be part of the Repairs and Maintenance (R&M) Department and report to the Senior Electrician.

## About us

At Goodwood, we celebrate our 300 year history as a quintessentially English Estate, in modern and authentic ways delivering extraordinary and engaging experiences. Our setting, 12,000 acres of West Sussex countryside and our story both play significant roles in Goodwood's success. What really sets us apart is our people. It is their passion, enthusiasm and belief in the many things we do that makes us the unique, luxury brand we are.

## Passionate People

It takes a certain sort of person to flourish in such a fast-paced, multi-dimensional environment like Goodwood. We look for talented, self-motivated and enthusiastic individuals who will be able to share our passion for providing the “**world's leading luxury experience.**”

## Our Values

### The Real Thing

Always inspired by Goodwood's heritage

### Derring-Do

Daring to surprise and delight

### Obsession for Perfection

Striving to do things *even* better

### Sheer Love of Life

Sharing our infectious enthusiasm

## Purpose of the role

Working under instruction of the senior electrician, responsible for ensuring the Estate's electrical infrastructure is maintained in good, safe and efficient working order and is fully compliant with all relevant regulations and codes of practice.

## Key responsibilities

- Develop and maintain positive working relationships with all customers.
- Carry out emergency light testing procedures and associated repairs.
- Carry out electrical remedial repairs across a range of estate buildings.
- Planned maintenance tasks such as lamp changes and generators checks.
- Support the T&I and associated remedial works of fixed wire installations across domestic and commercial properties.
- Supporting the temporary installation of event electrical installations.

<b>Qualities you will possess</b>
-----------------------------------

- Passion for what you do
- Positive and friendly with a “can do attitude”
- Attention to detail
- Ability to prioritise and organise
- Proactive
- Take responsibility for yourself
- Confident to make decisions and to stand by them
- Excellent communicator
- A sense of fun!

<b>What do you need to be successful?</b>
---

- Experience in maintaining a broad range of electrical installations.
- Emergency light testing procedures and excellent record keeping/paperwork.
- NVQ/City & Guilds Level 3 – Electrical Installation.
- Ideally have 18<sup>th</sup> Edition.
- Experience in fault finding.
- Availability to be on-call at least 18 weeks per year (including every 3<sup>rd</sup> weekend)
- Flexibility to work out of normal hours when required.
- Be willing to undertake further training to broaden skillset.

Each role is assigned a level against our expected behaviour. Your role levels are set out below.

<b>BEHAVIOUR</b>	<b>LEVEL</b>
